

Kideas

Spooky Black Spider

Materials:

- 1 segment of an egg carton
- 4 black pipe cleaners
- 2 googly eyes or similar
- black paint and paintbrush
- glue and scissors

Directions:

1. Paint egg carton segment black. Allow to dry.
2. Cut each pipe cleaner in half, creating a total of 8 segments.
3. Bend pipecleaners once in half, and again 1/2 inch from bottom to create "feet". Pierce carton segment in 8 locations and insert "legs", twisting off inside the segment to fasten.
4. Glue on googly eyes.
