Egg Carton Tulips

sample bud leaf pattern

Directions:

1. Cut egg carton into individual segments; one for each tulip desired.
2. Paint each segment your color of choice, inside and out. Allow to dry.
3. (Optional) Cut a variety of leaves out of construction paper. Long narrow leaves and/or "bud leaves" to hug each tulip.
4. Puncture bottom of each segment and insert pipecleaner "stem". If you made paper bud leaves, thread on top pipecleaner as well.

Materials:

- empty egg carton
- green pipe cleaners
- green construction paper
- acrylic paint and brush
- scissors
