Handprint Sunshine

Materials:

- 1 paper plate
- yellow construction paper
- yellow acrylic paint and brush
- scissors and glue
- black marker and/or google eyes/other embellishments

Directions:

1. Paint paper plate completely yellow. Allow to dry.
2. While paint is drying, help child trace their hand on yellow construction paper. Using the tracing as a pattern, cut out 8-10 handprints.
3. On the unpainted side of the plate, glue handprints along the circumference
4. Draw face with marker and embellish!
